## FEATURES

The Sherman HD is an incredibly strong chair ideal for law enforcement, security, or other 24-hour workspaces.

**Sherman HD9000-DS**

### 1 MECHANISM ADJUSTMENT

Easily adjust to your desired height, tilt, seat depth, and tension so you can work with correct posture.

### 2 REINFORCED STEEL

Reinforced steel seat and back topped with molded foam for comfort and durability.

### 3 LUMBAR SUPPORT

Built in lumbar support.

### 4 ADJUSTABLE ARMS

Heavy duty steel fold away arms that are height and width adjustable with high durometer polyurethane arm pads.

### 5 BASE

29" 5 prong, structurally engineered aluminum base available with 3" carpet casters or soft tile casters.

### 6 HEAVY DUTY FOOT RING

In applications where a drafting stool is required, an adjustable foot ring allows for custom leg support, reducing pressure on the thighs.
